Next Steps

Mentor:

Seek out someone who has had the professional success you would like to have.*

- Don't be afraid, people will be happy to help and flattered that you have asked.
- Ask them questions about the decisions that have made.
- Ask them for advice on making the right subject choices.
- Utilise professional organisations, GEM.org.uk or networking sites, such as LinkedIn.

***Ask for advice and support from your school/college before approaching a potential mentor.**
